## **COMPETITORS OF ALL AGES STAR AT TREK DORNEY TRIATHLON**

**Sunday 25 June 2006**, saw racing for all the family at the inaugural TREK Dorney Olympic Triathlon. Over 800 athletes from the age of five to sixty six took part in this new annual event, at Dorney Lake Eton, including elite triathlete Vanessa Raw who took gold medal in the U23 wave.

Offering an Olympic distance for the first time, the event also played host to a Junior / U23 and a Youth wave, with the Youth wave serving as a qualifier for the European Relays. Favourable conditions and warm sunshine saw the temperature at Dorney's clear water lake rise to 23°C resulting in a non wetsuit swim for these two categories, which attracted over 100 entries.

Vanessa Raw made her first appearance since her memorable 2<sup>nd</sup> position finish at Royal Windsor Triathlon two weeks ago, and again had a battle to the finish line beating off Rosie Clarke by just one second to take podium position in the U23 wave in 1:06:10. Both girls will be competing in the U23 European Championships in Croatia on 9 July.

In the Youth category Jonathan Brownlee and Hollie Avril held off tough competition on the run and won their races in 00:31:01 and 00:34:11 respectively. Both of them, along with the 2<sup>nd</sup> and 3<sup>rd</sup> place finishers, have qualified to compete in the U18 European Relays for Great Britain.

The event's racing started with a ScootAthlon (scoot, bike, run) for 5 – 11 year olds and saw some impressive talent from the youngsters, encouraged by their over excited cheering parents. Isaac Powell in the 9-11 category proved the

fastest athlete with a winning time of 00:03:13 for the 400m scoot, 400 bike and 250m run.

The day's racing consisted of individual and team entries across the Challenge and Olympic distances. The perfect conditions and flat course at Dorney, saw some very fast times including Janson Lotery who finished the Olympic distance in a very respectable 1:57:27.

John Lunt, Director of Human Race commented, "It was great to see competitors of all ages able to enjoy the racing and conditions at the stunning location of Dorney Lake. The Youth and Junior categories provided some very exciting racing and it shows that we have some very good rising talent for the 2012 and 2016 Olympic Games, the sport is in great health."
